

MBE in numbers: 2022

Number of MBE counseling centers: 1.489

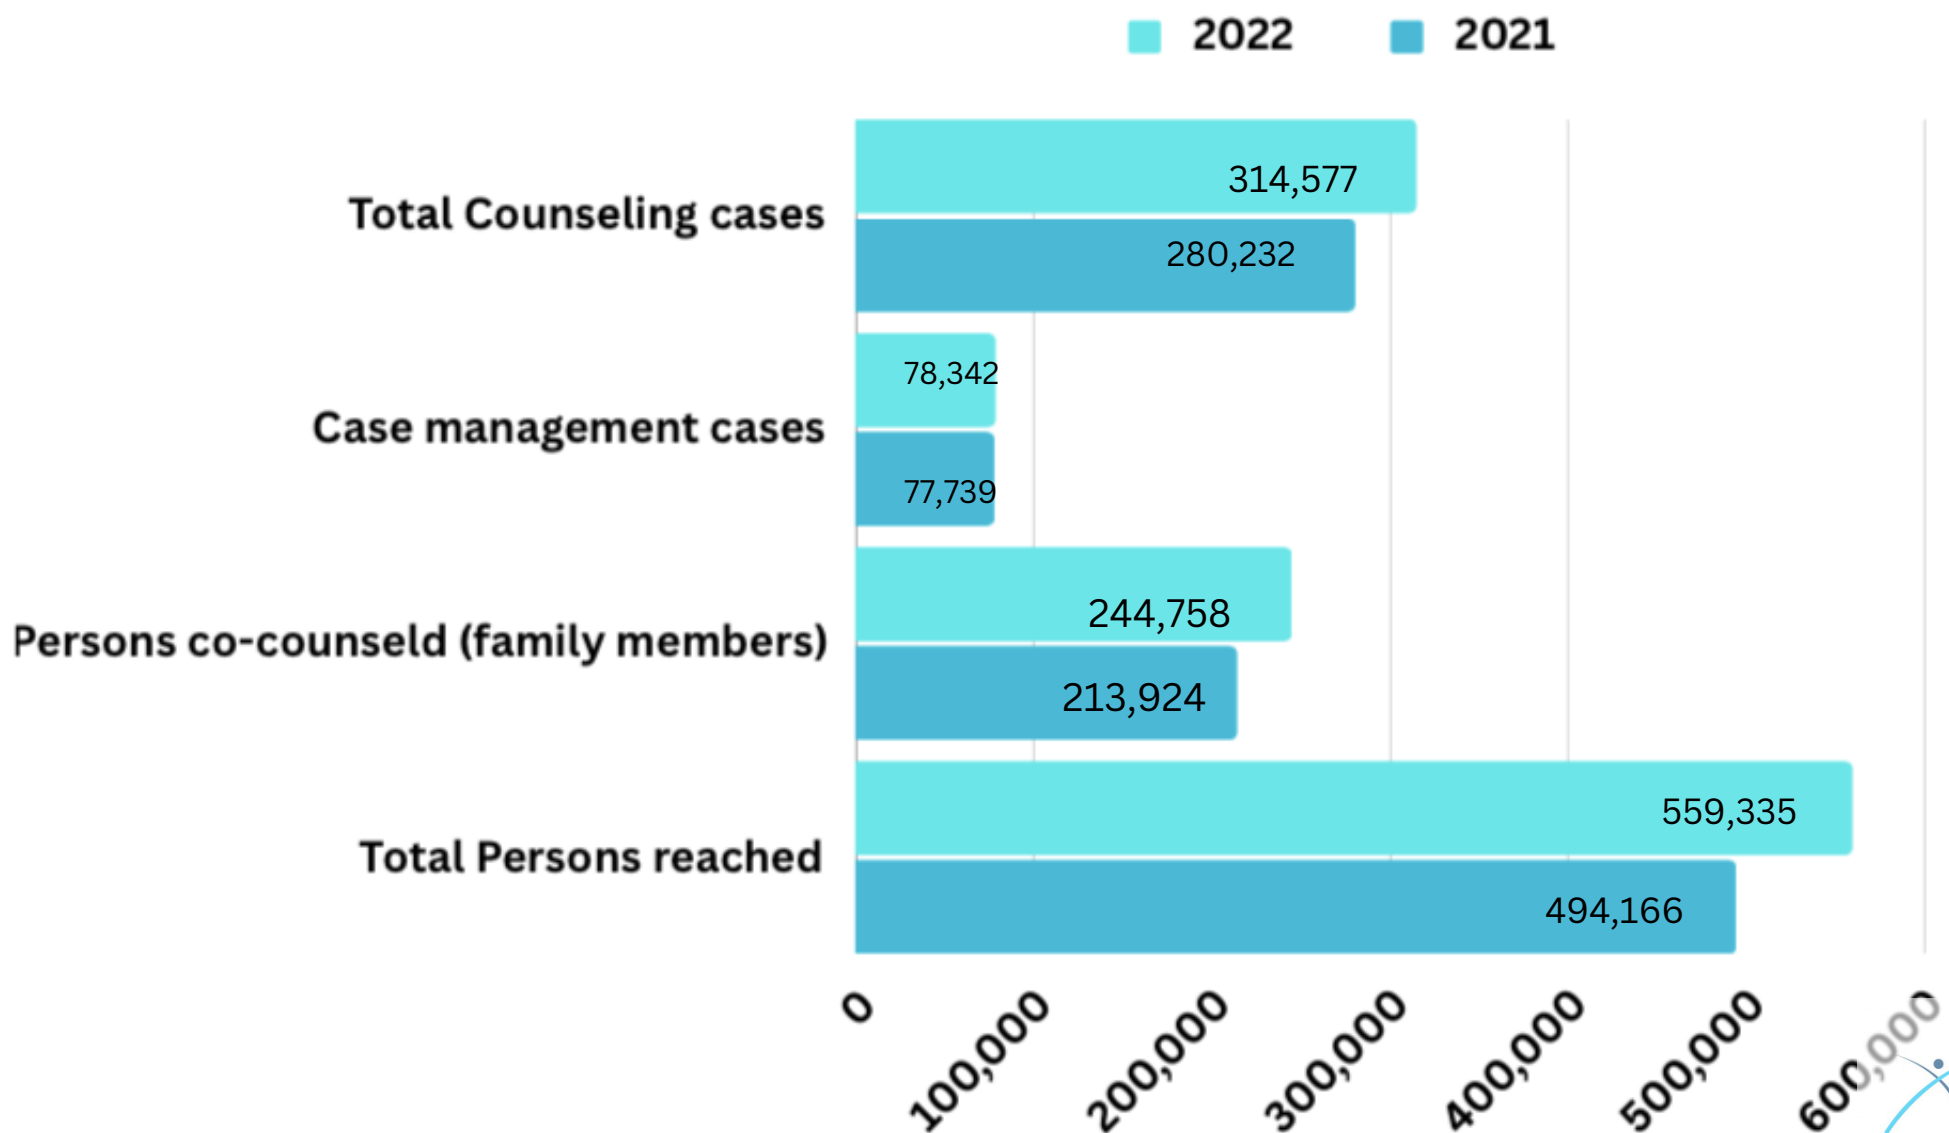

**Mobile counseling centers
470**

**MBE Main counseling centers
1019**

In 2022, 50 percent of all those seeking advice were identified as needing language support in German. In 2022, the MBE placed around 42,000 people seeking advice in an integration course or other language course.

Counseling cases

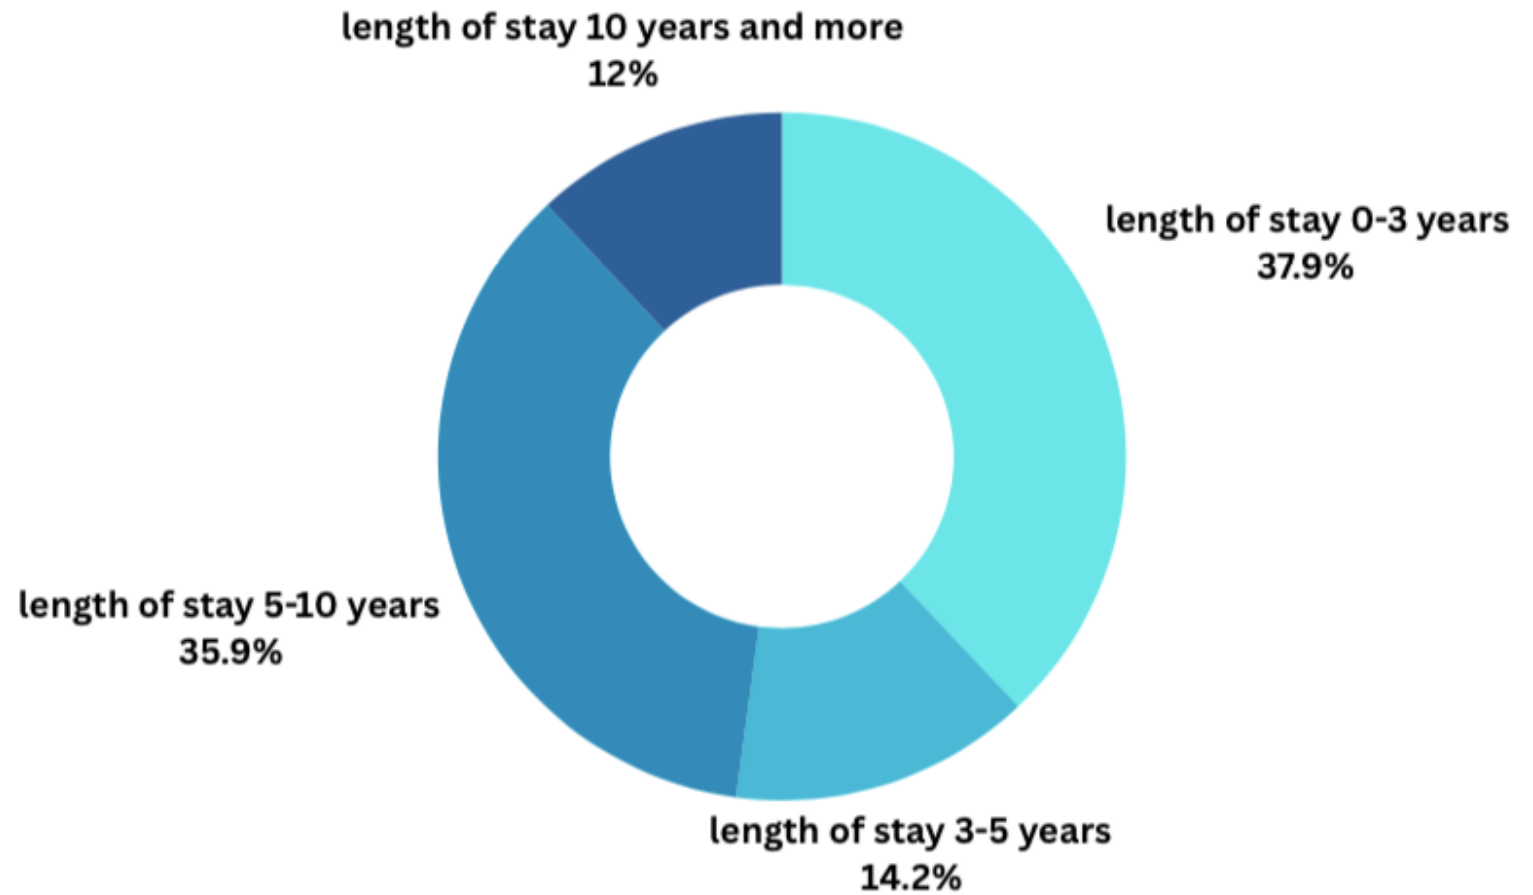

Research study "Ten years of MBE": High effectiveness and satisfaction of those seeking advice

90% of respondents rate it as "very important" that the MBE service exists in Germany.

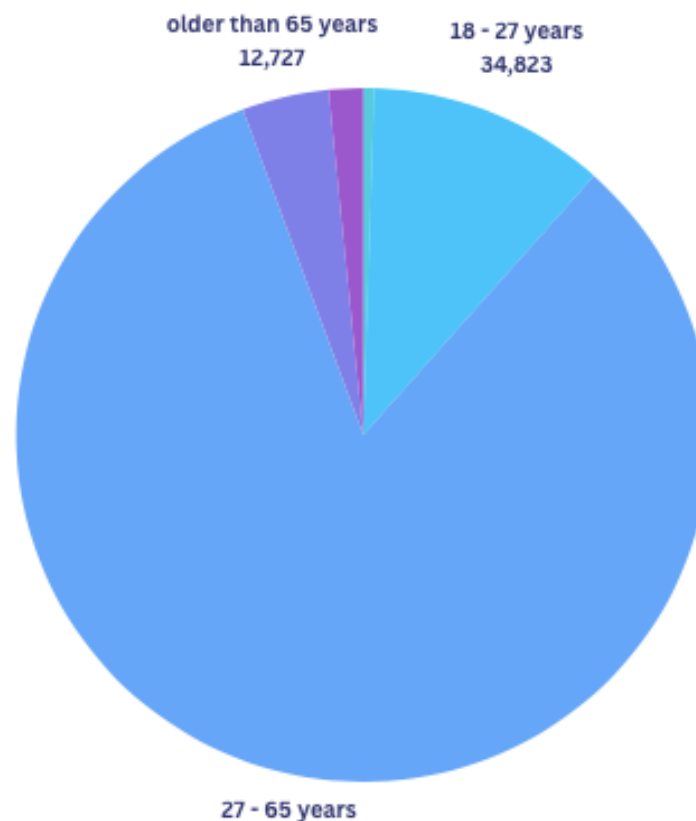

In the vast majority of counseling cases (88%), a noticeable improvement in their situation was achieved.

95% of respondents rated the help provided by MBE as "very good" or "rather good".

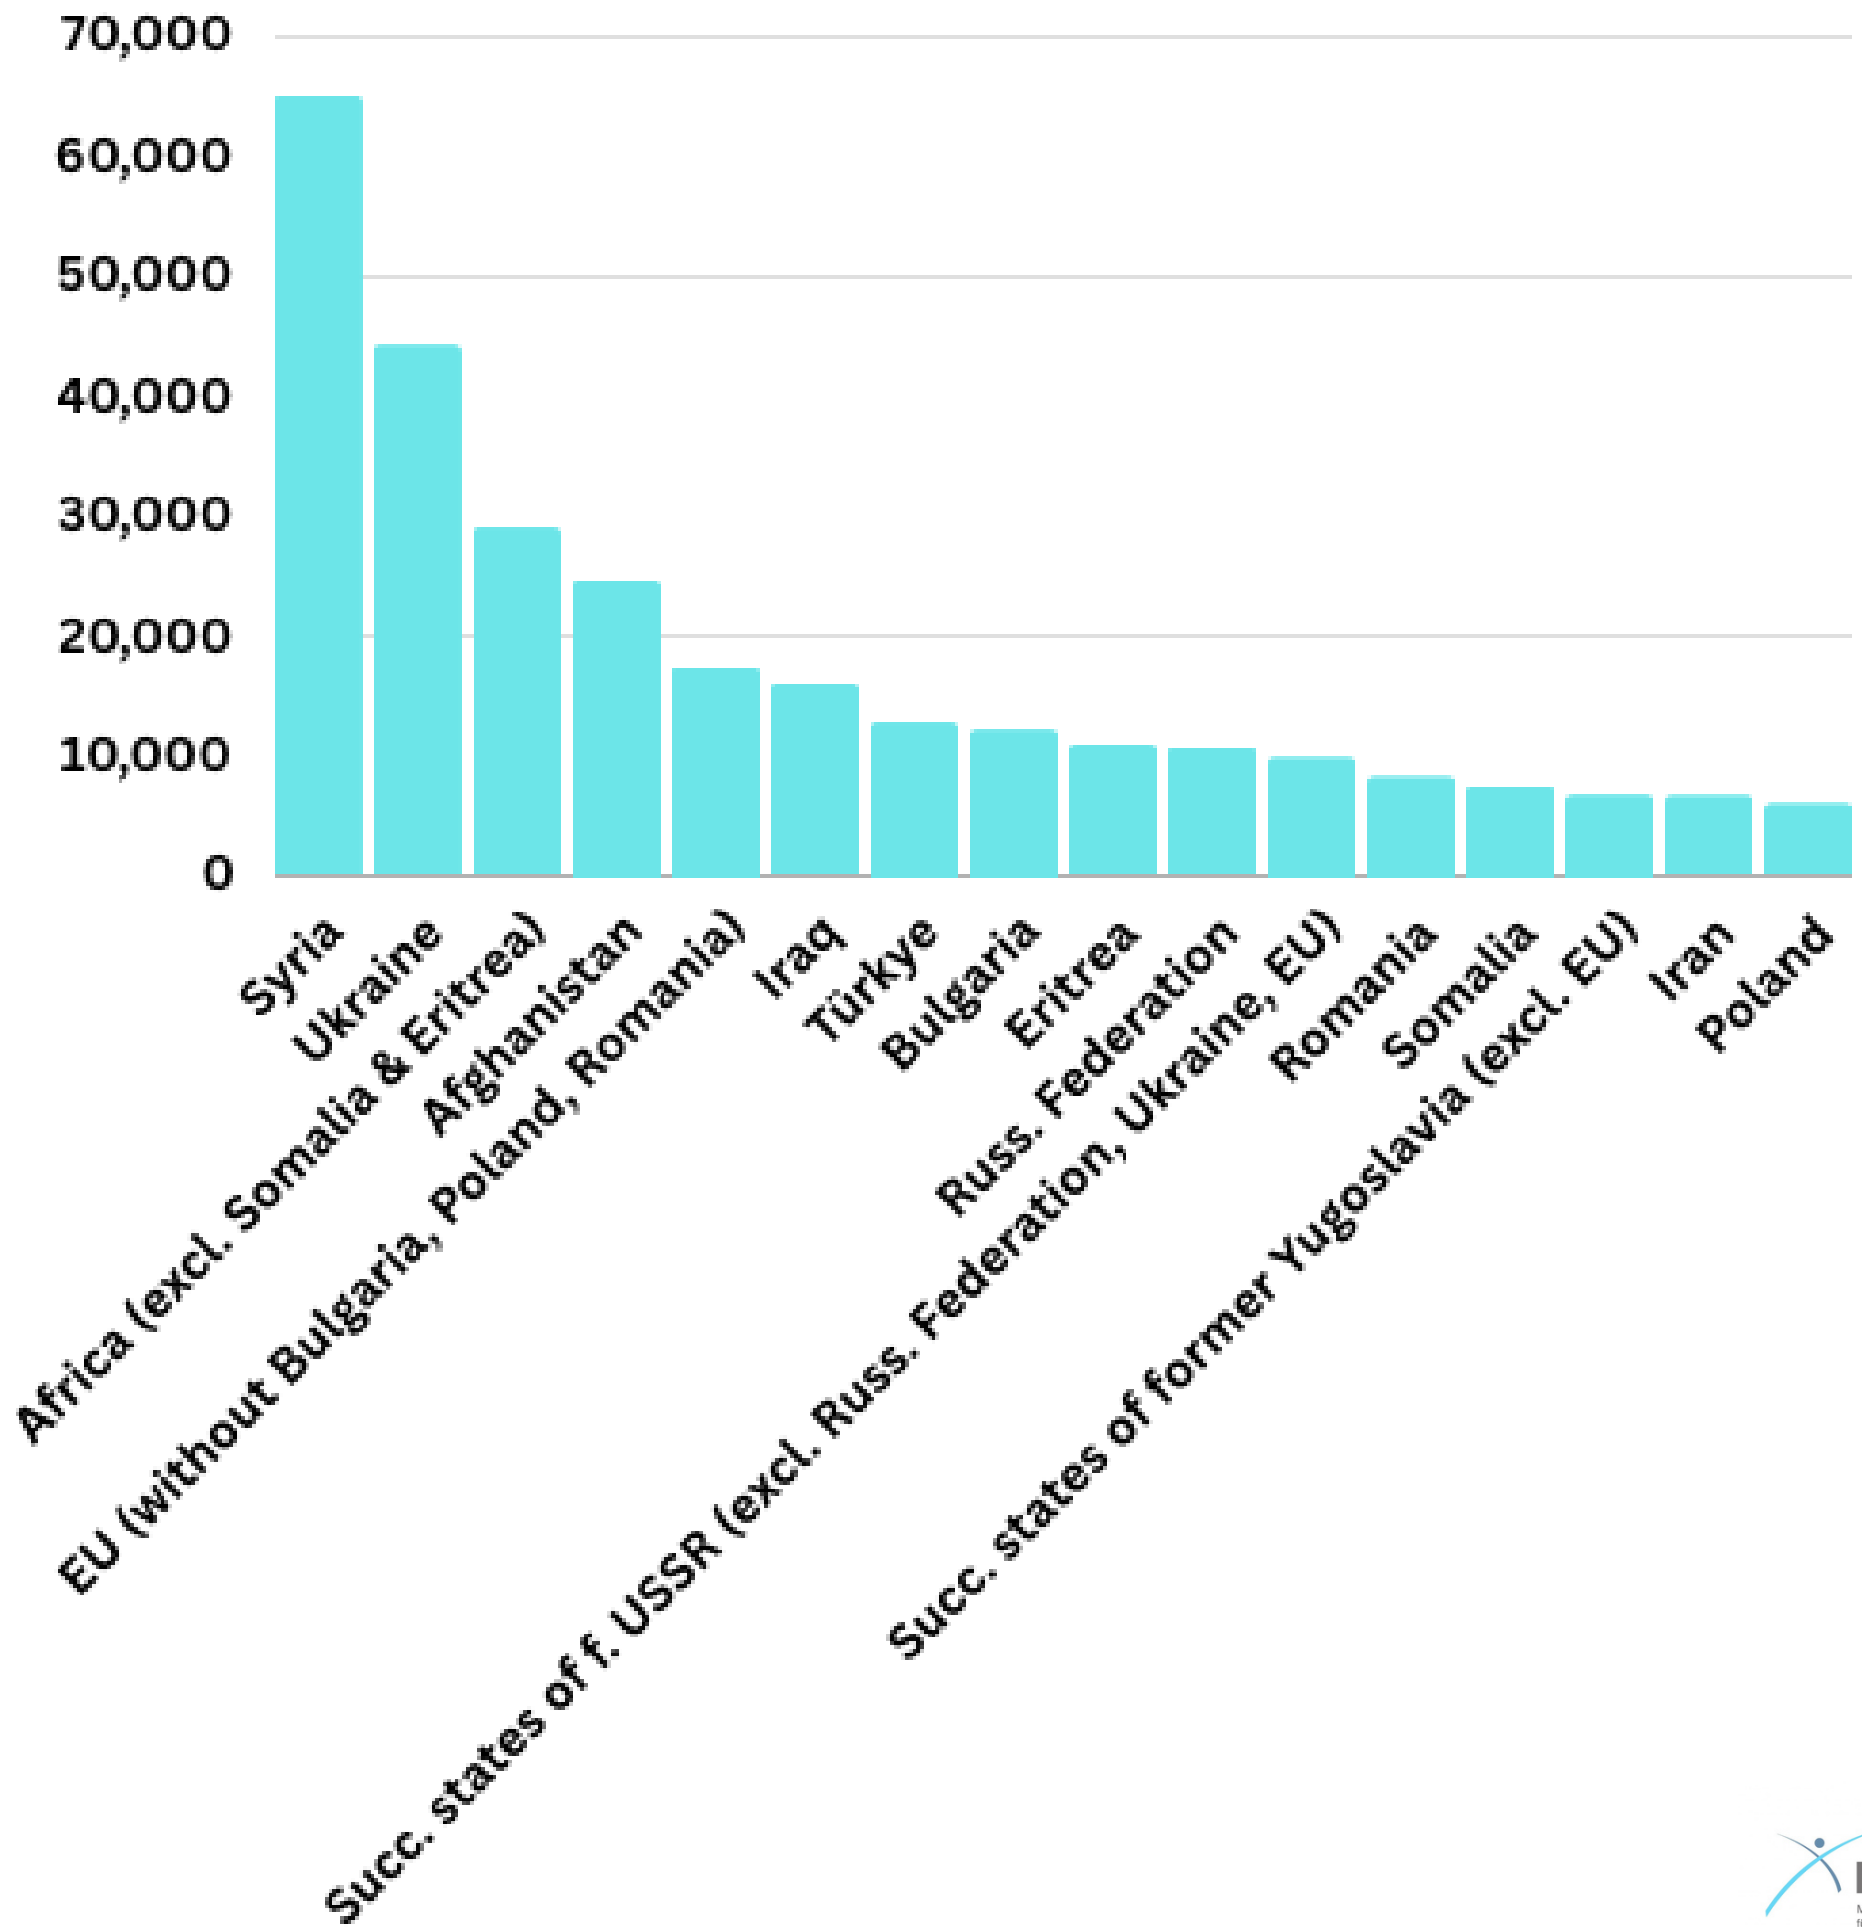

Length of stay (data on length of stay are available in 76.7 percent of the 314,577 counseling cases).

Age of the counseled persons

Countries and regions of origin

Reduction in transfer benefit receipt:
45% of those seeking advice through the case management process were receiving ALG II benefits at the start of counseling in 2022. The proportion of advice seekers receiving ALG II benefits at the end of the advice decreased to **28%.**

Organisations implementing the Migration Counselling for Adult Immigrants

Migration Counselling is implemented by the welfare organisations which are members of the Federal Association of Non-statutory Welfare (BAGFW) and by the Federation of Expellees (Bund der Vertriebenen, BdV).
